The **Congress on Advances in Material Science and Engineering (CAMSE)** aims to proclaim knowledge and share new ideas amongst the professionals, industrialists and students from research areas of Materials Science, Nanotechnology, Chemistry, Physics, Mechanical and Optimization Engineering to share their research experiences and indulge in interactive discussions and technical sessions at the event. The Conference will also have a space for companies and/or institutions to present their services, products, innovations and research results online.

CAMSE, would be organized in Virtual Format due to pandemic COVID-19 in association with Shobhit University Gangoh, Saharanpur.

All papers will be peer reviewed and accepted papers will be published in the conference proceedings as an edited volume in SCOPUS Indexed proceedings (**Lecture Notes in Mechanical Engineering (LNME) – Springer (Confirmed)**). The page limit is 10 pages. Submission of papers will be electronic and through the **EasyChair link**: (<https://easychair.org/conferences/?conf=camse2020>)

Authors of selected papers presented at the conference will also be invited for publication in **Special Issue of Indexed Journals**.
